National Police Commission

807. SHRI C. P. THIRUNAVUKKARASU : Will the Minister of HOME AFFAIRS be pleased to state :

(a) whether Government propose to implement the recommendations of National Police Commission for improving the working conditions of the Delhi Police as directed by Hon'ble High Court;

(b) if so, the details of action taken in this regard; and

(c) if not, the reasons therefor?

THE MINISTEROF STATE IN THE MMSTRYOF HOME AFFAIRS (SHRI CHENNAMANENI VIDYASAGAR RAO): (a) to (c) The recommendations made by the National Police Commission in the year 1979 were not specific to Delhi Police. The study of manpower and modernisation requirement of Delhi Police was, however, assigned to the Bureau of Police Research and Development (BPR and D). The recommendations contained in the Study Report of the APR and D were accepted in principle with certain modifications. Their implementation entails a substantial expenditure from the public exchequer, both on account of strengthening of the infrastructure in terms of equipment, etc. and creation of large number of additional posts. Delhi Police has accordingly been asked to prioritise the various recommendations so that they are implemented in a phased manner over a period of time.
